SCHOOL DISTRICT OF NEW HAMPTON

REPORT OF THE SCHOOL BOARD

During the year of 1928-29 seven schools are being maintained, having a combined enrollment of 102 pupils. Thus far, there has been no interruption in the sessions with the exception of the Plaisted school, which it was necessary to close for a short time on account of illness of the teacher.

The repairs were made chiefly at the Hannaford schoolhouse. A new chimney was built to meet the requirements of the new heater installed. The ceiling was also painted. There were other repairs at the Sanborn schoolhouse. A book cupboard was built in part of the entry to keep the extra books for all the schools in town. The ceiling was also whitened and new blackboards installed. The entry in the Plaisted school will be sheathed and the doors properly hung before the end of the present year. New modern fire extinguishers were placed in six of the schoolhouses.

The enrollment at the Winona school was so low at the beginning of the year that it was necessary for the school board to consider the situation of whether it was practical to keep the school open or not. Acting on the advice of the State Board of Education the committee decided to allow the school to finish the year. However, the State Board will not grant aid for this school next year, so it will be necessary to close and transport the few remaining pupils to the nearest schoolhouse.

The Plaisted school will receive state aid for the following year.

The board recommends that repairs for next year may include shingling the south side of the Village school, new adjustable desks installed in the Sanborn district and it is essential that one side of the Hannaford schoolhouse should be shingled as the roof is in very poor condition.

ALICE M. FOGG,
ADA C. BROWN,
WESLEY G. SPENCER,

YEAR 1928-29

Schools opened Sept. 4, one week later than usual. Several new teachers came to us.

Miss Natalje Blake of Bristol replaced Miss Miller in the Sanborn school. Miss Blake has had three years experience; is a graduate of a training school in Bradford, Vt., and has attended one summer session at the Plymouth Normal school.

Miss Ruth A. Prescott of Lakeport, a graduate of Plymouth Normal school, and with two years experience in a rural school, followed Miss Gertrude Walker in the Old Institution school.

Miss Elva Thurber of Manchester and Miss Dorothea Gage of Nashua, both graduates of Plymouth Normal in the class of 1928, began their work in the Fiske and Hanaford schools respectively.

All of these new teachers entered upon their work with enthusiasm and are doing creditable work.

Miss Merrill returned to the Village school. Miss Woodman and Mrs. Pollard returned to their schools. With the returning of these teachers after several years successful experience in the same schools, and the employment of two teachers with experience, the stability of the system has been maintained and the schools are running very smoothly.

1928-29 Enrollment

Below is the enrollment by schools and by grades. This is at the end of the seventeenth week and not the September enrollment.

High School Tuition Pupils

May I call your attention to the number of boys and girls attending high schools and whose tuition is paid by the school district:

School	Number	Rate	Total
Bristol	1	\$ 64.39	\$ 64.39
Franklin	2	70.00	140.00
Meredith	3	85.00	255.00
Laconia	1	76.00	76.00
Ashland	7	103.73	726.11
New Hampton	15	96.00	1,440.00
Grand total		30	\$ 2,805.23

A study of the first of the last two tables printed shows that the enrollment of the Winona school has decreased rapidly and has reached the point where it probably would be well to consider schooling these pupils elsewhere. Financially and educationally it would undoubtedly be the thing to do.

One of these four pupils will graduate in June. Financial aid for this school is being received for the present year. No aid will be received, however, for maintaining the school next year because the school will be dropped from the number of those schools receiving aid from the state due to the small enrollment of this year. Tuition and transportation can be obtained for the remaining three pupils should the school be closed until the enrollment gets back to the point where state aid can be secured.

The second table shows that for the current year \$2,805.23 is being paid for high school tuition. \$1,500 was raised last March as part payment of this amount. In as much as the paying of this tuition is a statutory obligation the difference between these two amounts should be raised at the coming March meeting.

Below are the names of the New Hampton pupils and the high schools which they are attending:

Name	School	Grade
Ruth Fogg	Bristol	10
Evelyn Fowler	Franklin	12
Doris Goodell	Franklin	10
Katherine Chandler	Meredith	11
Flora Chandler	Meredith	9
Louise Boyton	Meredith	9
Raymond Davis	Laconia	10
Barbara Crimmins	Ashland	12
David Brown	Ashland	12
Bernard Avery	Ashland	11
Edith Huckins	Ashland	10
Evelyn Huckins	Ashland	9
Barbara Holland	Ashland	9
Esther Holland	Ashland	9
Frances Green	Plymouth	9
Harry Warren	New Hampton	11
Donald Patten	New Hampton	11
Herman Chase	New Hampton	11
Clifton Ordway	New Hampton	11
Charles Varney	New Hampton	11
Arthur Dame	New Hampton	11
Harvey Beard	New Hampton	11
Gordon Wilmarth	New Hampton	10
George Ness	New Hampton	10
Richard Swain	New Hampton	9
Walter Fowler	New Hampton	9
Ralph Ness	New Hampton	9
Leonard Huckins	New Hampton	9
Edward Seaver	New Hampton	9
Clayton Davis	New Hampton	9

Three of the pupils listed above are seniors and in the natural order of things will not return. Let us assume that the remaining twenty-seven will return.

The names of all the eighth grade pupils of the current year are given to help in determining the possible number of high school pupils for next year:

School	Pupil
Village	Bessie Fogg
Village	Persis Tilton
Village	Clement Plastridge
Village	Edwin Wilmarth
Winona	Laban Chandler
Old Institution	Carl Ballou
Old Institution	Marjorie Fogg
Old Institution	Elizabeth Hinkley
Hanaford	Ralph Huckins
Ashland	Raymond Avery
Ashland	Richard Avery
Center Harbor	Duncan Green

It is quite evident that the number of pupils attending high school next year will be larger than at present. The exact amount to be paid for tuition cannot be determined at this time because the rates in some of the schools are not fixed. The total amount to be paid will not be far from \$3,000.00.

This large number of New Hampton boys and girls attending secondary schools is very gratifying. It speaks well for the people. Too many young people stop school at the end of the eighth grade. To compete successfully with others education is needed.

The Circulating Library

The Gordon-Nash Library has once again proved its worth to the town by making up seven small libraries for the use of the school children.

Each library contains about twenty books. There are seven of these. As fast as a school finishes one set of books the teacher notifies me and I replace it with one not read. Having the books right at hand encourages the children to read. The scheme is working very well.

Unplanned For Expenditures

Because state aided towns are required to make out at the beginning of each school year a budget and submit it to the State Board of Education, it often happens that during the year it is necessary to meet unexpected expenditures of money. We find ourselves in this position at the writing of this report. A lumber camp has started

operations in the vicinity of the Fiske school and the six children must be transported. There is no surplus money available to meet this expense. It will be necessary to raise at the coming school meeting money equal to the cost of carrying the children. The State will return later an amount equal to what it allows for transporting six children that number of miles.

I wish to thank the board for the interest and helpfulness in my work as superintendent.

EARLE P. FREESE, Superintendent.
